<u>Program Notes:</u>

Purple gap explores a sustained sentimental sonority. The piece opens freely. The opening harmony fades in softly and slowly. The piece begins to grow in speed and intensity until releasing into its most full and vibrant moment. The opening harmony then slowly fades away as the piece moves on.

<u>Performance Notes:</u>

Boxes throughout the piece are used to designate a selection of pitches to be improvised on for the specified duration

Feathered beams are used to represent a gradual growth or decrease in speed

- The piece should not suggest any meter. Whole notes do no represent four beats but simply a sustained sound. Eighth notes represent attack points and are beamed together to show phrases.
